**Sacred Heart and St. Charles Borromeo Parishes**  
**Two Parishes: One Faith – One Mission**

Dear Partnering Parishioners,

With the passion and suffering of Christ and His glorious resurrection fresh in our minds, the Growth and Formation committee of our partnering parishes would like your input as we come together as one community united in both faith and mission to examine the effects of our current Mass schedule. To this end, we invite you to complete the survey below and respectfully ask that you look into your heart, give prayerful consideration to your answers, and allow the Holy Spirit to guide your responses.

**Part 2: Rate your feelings by checking one of the boxes – Satisfied, Neutral, or Dissatisfied. Then check the box that best describes why you feel this way.**

**Question: How would you best describe your feelings about the current Mass Schedule?**

**Satisfied**

- I enjoy sharing my faith with other parishioners and like seeing the Church closer to full than to empty
- I like that I have the opportunity to meet and greet other members of our partnering parishes
- I see this as an opportunity for members of both parish communities to grow together in faith
- With one pastor serving both parishes, I recognize the need to consolidate masses

**Neutral**

- I have experienced minor inconveniences but I do not see them as a barrier to my faith
- I do not have an opinion about the Mass schedules

**Dissatisfied**

- Mass is now too crowded
- The current Mass schedule is inconvenient and I am having a difficult time adjusting my personal routine to accommodate my faith
- The current mass schedule is a hardship for me and I cannot attend mass
- It is too difficult to find a parking spot
